KTribe F3 Floor Lamp by Flos

The KTribe F3 floor lamp is the largest floor lamp in the [Flos KTribe collection](#) by the renowned designer Philippe Starck. A modern and chic light, this floor lamp is perfect for creating a warm atmosphere in your space due to the included dimmer switch and the inner diffuser. The lampshade has a diffuser which encases the light bulb which allows for a soft illumination. The outside shade then also makes the light spread throughout the room, producing a glow that is bright yet warming.

The KTribe F3 floor light has 4 shade options for you to choose from which all have a unique and eye-catching aesthetic. You can have a fabric shade for a more vintage feel, or a coloured PMMA shade for a more futuristic look. Wonderful for lounges, reception areas and bedrooms, this floor light can be utilised in both commercial and domestic settings.
