PRODUCT DESCRIPTION

Designer: Alberto Meda & Paolo Rizzatto

Upper Stepladder by Kartell

A stepladder with a bold personality and functionality. It is where form and function fuse together. Kartell is responsible for the implementation of Alberto Meda's and Paolo Rizzatto's design, the Upper, due to the injection moulding, the step ladder becomes durable and tough. These are the attribute one seeks on a ladder. The steps are slip-resistant, making them both practical and safe

The Upper stepladder is functional and practical, as well as an attractive accessory to have around. The Upper is available in 3 colours, crystal/transparent, cobalt and orange-red.

The stepladder can support a maximum weight of 260 kg.

PRODUCT SPECIFICATION
